

# MOXIE

THE X FACTOR AT WORK

## LIVE VIRTUAL

### TARGET AUDIENCE

New employees. Emerging leaders. Any workplace professional with a desire to increase their personal power and professionalism.

### LIVE VIRTUAL WORKSHOP

Two 90-Minute Virtual Sessions  
Direct Access to Senior Facilitator  
Access to Online Moxie Toolbox

Moxie means a *force of character*. Character, competence, and collaboration are the currency for today's workplace professional. This focused workshop helps the learner establish a powerful foundation of character, competence, and collaboration.

The **MOXIE WORKSHOP** helps to build skills. But it starts by helping those that attend set their own clear mindset and compass for professionalism on the job. It is a choice. With that foundation in place learners will be equipped to master relevant skills and techniques that will enable them to thrive.

### YOU WILL LEARN HOW TO:

1. Establish a positive foundation for professionalism.
2. Gain clarity on your own code of excellence.
3. Manage the balance of needs between you and your employer.
4. Create personal focus and ensure personal accountability.
5. Own your success.

"Definitely a game changer. Eye opening. I see my job and my success completely different now. I've never experienced anything quite like this!"

–Technician
