

Own Your
career

LEARNING ON DEMAND

Take ownership today
for the success you want tomorrow!

FORMAT

You will have access to your online lessons and tools for a full 60 days. Apply tools and templates after each lesson. Access your facilitator at any time. Progress at your own pace. Take ownership for your career success.

TARGET AUDIENCE

Anyone who wants to accelerate their career success.

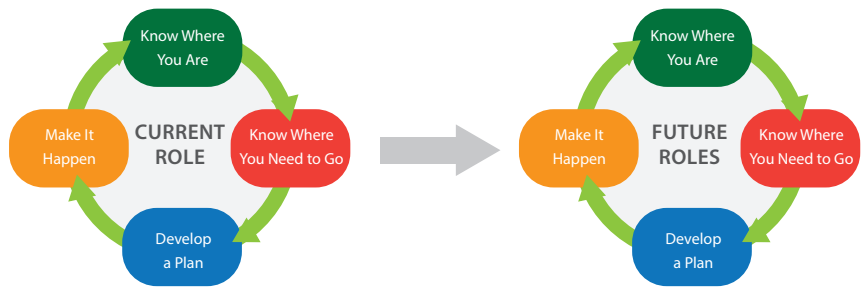

Every day further shapes your career. Is it shaping up the way you want it to? Don't leave it to chance. Take ownership for your future today. This hands-on workshop provides the tools and the process to help you truly own your career and your success.

OWN YOUR CAREER will first provide a roadmap for owning success in your current role. That is the place to start. It will then provide a similar roadmap for planning and owning your future. The Own Your Career Roadmap includes four key steps for both your **CURRENT ROLE** and your **FUTURE ROLES**.

OWN YOUR CAREER PROCESS:

When you sign up for this workshop you will have access to video lessons and practical tools for a full 60-day period of time. During that time, you will also have access to a qualified learning facilitator, who will answer your questions and provide coaching and support to the level that you desire. By the end of the 60-day learning period, you will have created your own strategic plan for your current role and for your desired future roles. This online learning experience provides a truly unique opportunity to take ownership for your career.
