MOXIE means a force to be reckoned with. Your **MOXIE** gives you the "**X**" factor at work.

Character, competence, and collaboration are the main **MOXIE** factors. They are the currency for today's workplace professional. No tricks. No gimmicks.

This focused learning experience will help you unleash your **MOXIE** and establish a powerful foundation of character, competence, and collaboration.

MOXIE will give you tools, teach you techniques, and build your skills. But it all starts by creating a clear and compelling **MOXIE** mindset. Your way. It is your **MOXIE**. Your choice. With your mindset in place, you will be ready to master relevant skills and practices – habits for sustained success.

THIS LEARNING JOURNEY WILL HELP YOU:

1. Establish a solid foundation of character, competence, and collaboration.
2. Gain clarity on your own code of excellence.
3. Create balanced success for you and your employer.
4. Ensure personal focus and accountability.
5. Establish MOXIE practices that create your "X" factor.
6. Take ownership and seek what you need to succeed.

MOXIE is also available as a face-to-face workshop you can bring to your team and organization. Contact us for details and options.

WHAT OTHERS HAVE TO SAY

"Definitely a game changer. Eye opening. I see my job and my success completely different now. I've never experienced anything quite like this!"

–Technician

"This workshop equips individuals to partner with power in the workplace. Definitely a unique and important approach."

– Director of Production

"Give them tools to thrive and their whole world begins to open up. That's good for them ... and great for us."

– People Leader

"Your coursework is great. I'm not in "Leadership" (as it's traditionally defined) but the information you present is relevant for everyone, I believe. I wish I'd been able to take some of these classes in school! It's exciting to watch what happens as I try putting your tips into practice, both at work and at home. Many thanks for what you do!!!"
