The learning and leading is in the climb!

Anyone can learn about leadership. There are thousands of books on the subject. But learning about leadership is not the same as becoming a great leader. It's all about the climbing.

ASCEND to LEADERSHIP is all about the climb – helping you become a truly great leader – your way.

You see, this is much more than a workshop. This is indeed a journey that will help you fortify your mindset, skillset, and toolset in six essential areas. Are you ready to begin the climb?

- 1. OWN YOUR ROLE**
- 2. BUILD RELATIONSHIPS**
- 3. INTERACT with IMPACT**
- 4. COACH for SUCCESS**
- 5. BUILD YOUR TEAM**
- 6. LEAD CHANGE**

THIS LEARNING JOURNEY WILL HELP YOU:

- Identify who needs your leadership.
- Gain clarity on the type of leader you need to be.
- Clarify your own values, strengths, and style as a leader.
- Strengthen your mindset, skillset, and toolset in six core areas of leadership.
- Continually grow your leadership capacity.

WHAT RESULTS MATTER to YOU?

With the right tools, workplace leaders can enhance desired results in very significant ways.

It's that simple and measurable.

The **ASCEND to LEADERSHIP** journey will equip you to master SIX CORE LEADERSHIP PRACTICES. Then, watch to see measurable improvements in quality, productivity, efficiency, and morale.

The entire learning process becomes integrated with your everyday work as a leader. Fun and effective.

Don't just "attend" another webinar. Fortify your mindset, skillset, and toolset as a leader.

The learning and the leading is in the climb.

So, let's get climbing.

WHAT OTHERS HAVE TO SAY

"Not your typical workshop. Refreshing." – Manager
"As usual, Mark and the Learning Point team hit another home run." – Director of Production

"I never realized how much more valuable these workshops can be when you actually continue working on stuff back in the real world. The whole thing is designed that way. Love the tools. Love the support from facilitators."
– Line Superintendent

"This should be a must for all of our leaders - and their managers - and their managers - and those who should be coaching them." – Service Manager

"This is changing the way leaders learn. It's exciting. And effective. Great job!" – VP of HR

"The combination of classroom and real-life is a great idea. Coaches are the key. Great content and tools."
– Director of Learning

"I love the tools you can use right away. I plan to complete one key action packet each week. Takes commitment. But you don't get better at this stuff just thinking about it."
– General Manager

"Great session. Thank you. Looking forward to diving into the online tools." – Administrative Manager

ASCEND TO LEADERSHIP

LEARNING JOURNEY

FORTIFY YOUR MINDSET, SKILLSET, AND TOOLSET IN SIX CORE LEADERSHIP PRACTICES.

Schedule and attend each of the live virtual sessions.
You can attend them in any sequence. Attend as many sessions as you would like.

1 OWN YOUR ROLE

Owning your role is the foundation for all success as a leader. Know who you are and who you intend to lead. Have a crystal clear vision of your success as a leader.

- July 15, 2022 – 11:30am to 1pm pacific
- January 19, 2023 – 11:30am to 1pm pacific

2 BUILD RELATIONSHIPS

Leadership happens in the context of relationships. Building relationships of trust and respect is central to your success as a leader. Know your key relationships and care for those key relationships on an ongoing basis.

- August 12, 2022 – 11:30am to 1pm pacific
- February 16, 2023 – 11:30am to 1pm pacific

3 INTERACT WITH IMPACT

Every interaction is an opportunity to impact, positively or negatively, the capability and commitment of those you lead. Collaborative and intentional interaction is where your influence is manifest as a leader.

- September 9, 2022 – 11:30am to 1pm pacific
- March 16, 2023 – 11:30am to 1pm pacific

4 COACH FOR SUCCESS

Coaching – helping others succeed – is the craft of today's workplace leader. It involves clarifying expectations, observing the effort, diagnosing the need, and addressing the need. Be the coach your team needs you to be.

- October 14, 2022 – 11:30am to 1pm pacific
- April 20, 2023 – 11:30am to 1pm pacific

5 BUILD YOUR TEAM

Most of us can identify teamwork when we see it. But leadership is about creating and sustaining it. Gain the skills and use the tools that build and sustain a strong team.

- November 11, 2022 – 11:30am to 1pm pacific
- May 18, 2023 – 11:30am to 1pm pacific

6 LEAD CHANGE

Change requires leadership. Leadership requires change. Workplace leaders are the "tread on the tire" when it comes to change. Develop the skill of leading your people through challenging change.

- December 9, 2022 – 11:30am to 1pm pacific
- June 15, 2023 – 11:30am to 1pm pacific
