"This is a must for all new or experienced supervisors. Boot Camp covered a wide variety of topics and every topic gave me something to apply to my everyday work."
– Operations Manager

"The best training I have ever attended. And I have attended plenty of training"
– Supervisor

"I love the tools that you can go and use right away. I actually began working on real-life situations even before the class was over."
– Team Leader

"The facilitator was awesome. So good. No fluff. Just lot's of practical wisdom and great stories. Made me think ... and practice. Thank you!"
– Administrative Manager

It may not be your first day leading others, but it can feel that way on any given day.

Your role as leader is to help others succeed in their role.

Success comes sooner and stronger when leaders create and sustain four essential success factors:

You will leave equipped to clearly define your role as a leader and create ongoing success for yourself and those you lead.

If you work with people, you will benefit greatly from this powerful learning experience.

THIS LEARNING EXPERIENCE WILL HELP YOU:

1. **OWN** your role as workplace leader.
2. Gain **CLARITY** around what matters most.
3. Increase **COLLABORATION** within yourself and others.
4. Develop **CAPACITY** in yourself and others.
5. Ensure **CONSISTENCY** within yourself, team, and organization.
6. Use your **TOOLKIT** as you continue to grow as a leader.
